**FILING OF FORMAL DRAWINGS UNDER 37 CFR 1.312**

Commissioner for Patents

Alexandria VA 22313-1450

Sir:

Prior to issue of a patent on the above allowed application, please substitute the formal drawings filed herewith for all drawings previously on file.

The drawings filed with this application on August 27, 1998 were highly informal. The applicant's records do not indicate that any formal drawings were ever filed during the prosecution of this application. Accordingly, although the Notice of Allowability did not require the filing of formal drawings, applicants are filing herewith formal drawings and request that, prior to issue of the patent, these formal drawings be substituted for the informal drawings previously on file.

Entry of this Amendment Under 37 CFR 1.312 is respectfully requested on the grounds that it will not require extensive consideration by the Examiner, being confined to the simple substitution of formal drawings for informal ones, but will greatly improve the ease of comprehension of the drawings in the issued patent.
